Dear Breeder,

We are excited to announce the debut of **RAISE THE BLUFF** at stud. He will be standing at **El Dorado Farms LLC** in Enumclaw, Washington, for the 2008 breeding season, where he is currently available for viewing and/or booking.

Like our other stallion **DELINEATOR**, **RAISE THE BLUFF** brings impressive credentials that make him well-suited to our region. He possesses the combination of racing prowess, superior conformation and pedigree that all of us look for in young stallion prospects.

RAISE THE BLUFF achieved the **RARE FEAT** of *competing in the major local races in his division as a two-year-old, three-year-old and four-year-old*. Never finishing worse than 2nd place, he came within a length of sweeping the WTBA Lads, the Gottstein Futurity, the Emerald Downs Derby and the Longacres Mile (G3). He was both **PRECOCIOUS** and **SOUND**. And **CONSISTENT**. He finished 1st or 2nd in nine (9) out of his 19 career starts on the way to **EARNING \$342,706**.

RAISE THE BLUFF demonstrated that he was more than a "horse for a course," competing well against top handicap horses in California. He won the Santana Mile Handicap in game fashion, earning a 102 Beyer. The distance of that race is significant, because *it is universally accepted that "milers" make the best stallion prospects*.

We have established his initial stud fee at a level we believe affordable to all area breeders. A limited number of shares are available to those of you sharing our optimism that **RAISE THE BLUFF**'s upside potential is significant.

Please visit **El Dorado Farms** and inspect **RAISE THE BLUFF**. We are confident he'll make a positive impression. Thank you for your consideration.

Best Regards,
Lance Williams
